FOOD WASTE IS NOT LIMITED TO FOOD

فبراير، 2024

AGENDA

Food Waste Definition

Importance of the Issue of Food Waste

Food Waste, The National Context

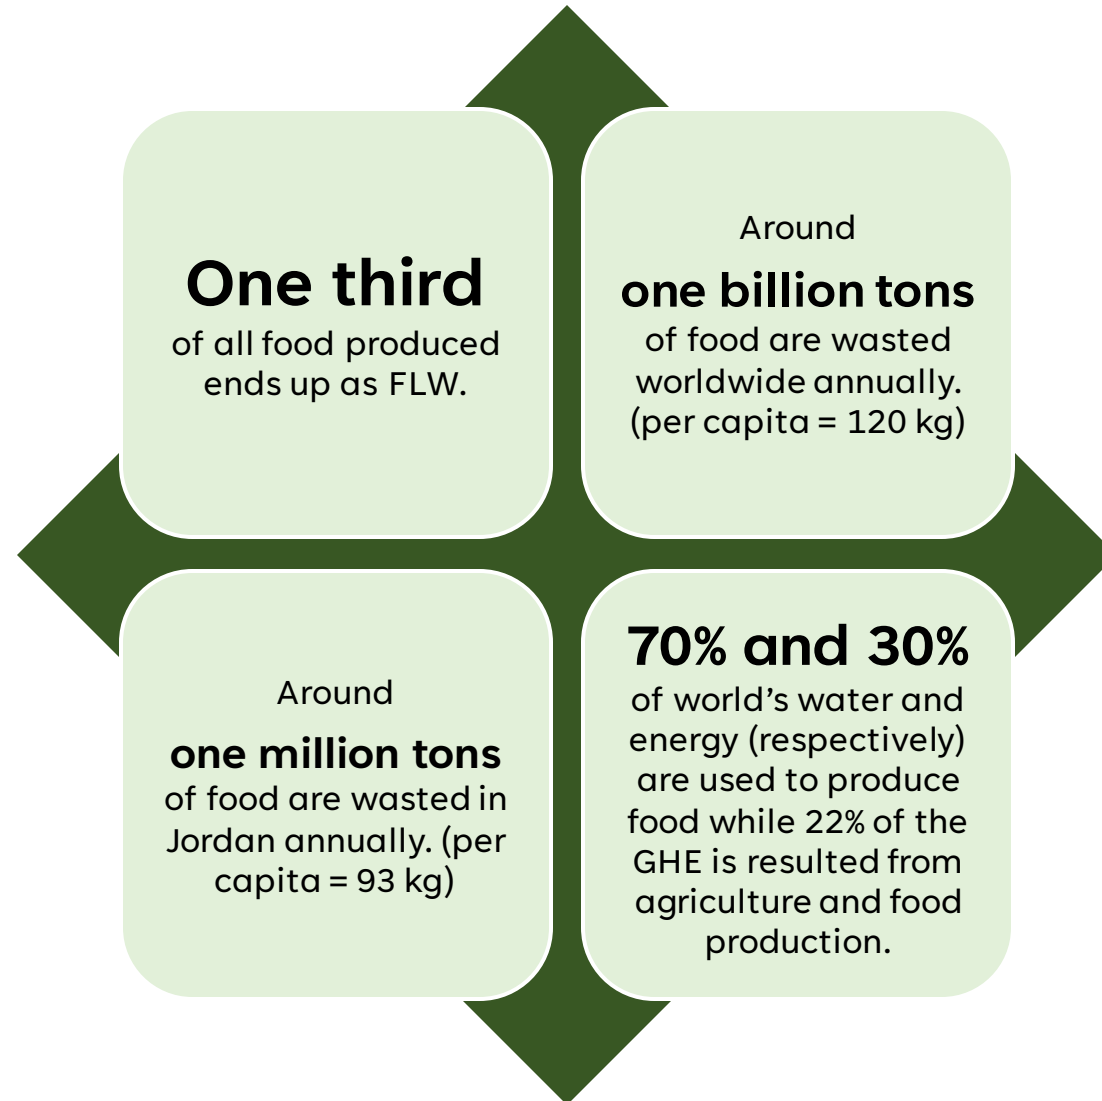

- National Water Loss Associated to Food Waste
- Where is Food Wasted in Jordan?
- Is Jordan on Track in Tackling Food Waste?

Q&A

WHAT IS FOOD WASTE?

Any food that is not eaten by humans during retailing, services and consumption

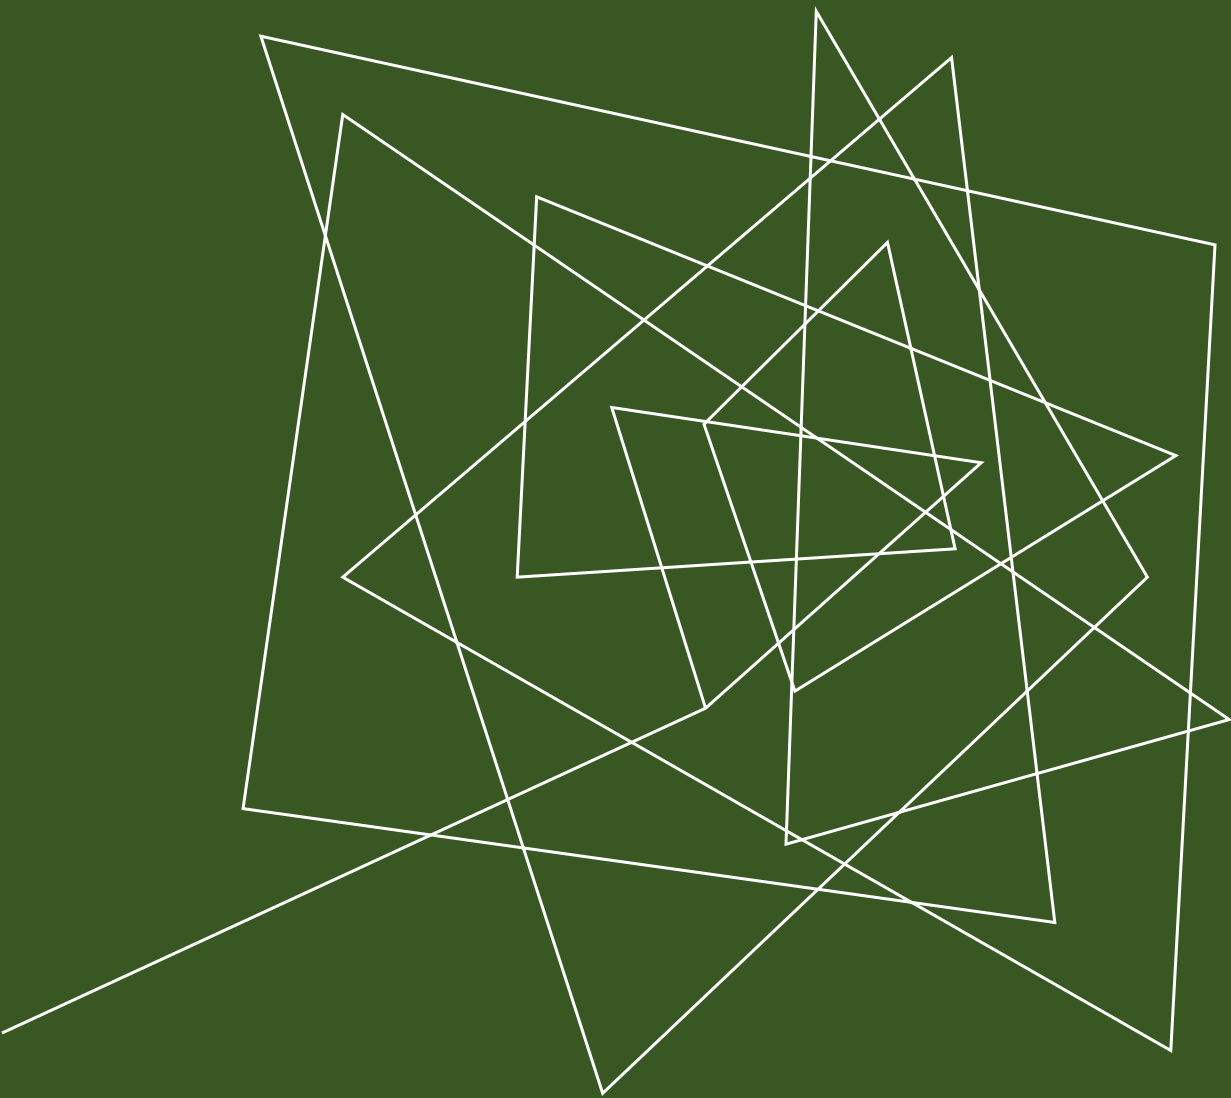

WHY FOOD WASTE IS AN IMPORTANT ISSUE?

Two thin green lines intersect on the left side of the slide. One line is horizontal, and the other is diagonal, crossing it.

WHERE FOOD IS WASTED IN JORDAN?

- **Retailors**
Hypermarkets, Supermarkets, Grocery stores, On-farm, V&F shops, putchers, mobile sellers, e-markets, street sellers, producers.
- **Service providers**
Food Delivery, Restaurants, Hotels, Hospitals, Canteens (Army, police, companies, schools), Takayas, Food Banks, Charities, UN agencies, CSOs.
- **Consumers**
Households, Guests, Army, Police, Restaurants, Hospitals, Schools, Universities

IS JORDAN ON TRACK
IN TACKLING FOOD
WASTE?

DURING THE PAST THREE YEARS, THE FOLLOWING HAVE BEEN ACHIEVED IN CLOSE COOPERATION WITH WFP

Formulation of several policy documents and plans

Establishment of the Food Security Council

Establishment of the Food Loss and Waste Committee as one of the FSC permanent committees

Establishment of the “No Food Waste Initiative”

Running the Food Waste Hackathon

Several training workshops were held

Q&A
