

Jordanian Clinical Skills Competition Program

Part II

Evidence Based Medicine

Instructions

Using a published meta-analysis, participants are required to critically appraise that article by examining the clinical question, searching for the best evidence, assessment of quality measures, evaluation of statistics used, matching conclusions with results, awareness of limitations and provision of overall judgment.

Participants may select **ONE** of the following articles:

- 1) BMJ 2000; 321: 1183-7
- 2) Circ Cardiovasc Interv 2010; 3: 565-76
- 3) Haemostasis 2010; 8: 2624-41

(Note: the full text of all articles is available online and can be accessed for free)

Registration for participation is by submitting the critical appraisal to the following email:

clinicalskillsebm@gmail.com

The deadline for registration is **September, 2nd, 2012**

Note:

The first 50 candidates to send the appraisal will be selected for being candidates for the final round. The names of the top three finalists will be announced on the website on **September 30th**. These finalist will participate in the final round which will be held during the **Scientific Congress**.
