Personal details

Residence: Al Salt, Jordan

Country of citizenship: Jordan

D.O.B: Feb 24, 1983

Gender: Female

Objective

- To continue my career in an academic organization that will utilize my expertise and skills for mutual growth and success.
- I wish to give back as a teacher and mentor for the next generations.
- Seeking a challenging and professionally rewarding position to further develop and utilize my skills and expertise and to contribute accrued expertise toward the qualitative enhancement of the organization that I will work in.
- I am interested in research in my field especially in TMJ surgery, dental implants, and recent advances in technologies and medications for treatment of oral pathology.
